

Community Support Associates, Inc.

Recreation Program for Adults with Brain Injuries

Community Support Associates (CSA) Recreation Program offers the opportunity for participants to plan and participate in staffed activities. Consumers meet others and work on social skill building while taking part in affordable community activities and contribute to a fun, social group!

Activities are offered 2-3 times weekly during nights and weekends.

CSA currently offers Recreation Services in the Hyannis area. Please contact Katrina Vidal, Recreation Director, for more information at 508-790-7818 ext. 105.
